

ASSET MANAGEMENT LEARNING PORTAL

Making technology work for you
while still retaining the human touch

www.aecom-amlearning.com

AECOM's Asset Management (AM) Learning Portal provides access to e-learning materials and webinars developed by global leaders and IAM Endorsed Trainers. The course prepares individuals to pass the 'Principles of Asset Management' exam and earn the IAM Certificate.

The Asset Management Certificate Course

The Principles of Asset Management

www.aecom-amlearning.com

Easy to Understand, Clear & Fun!

Learning that's clear, fun and tests your knowledge as you go. Do the modules at your own pace and feel free to repeat any element or test.

Community:

You'll join an international network of asset management experts.

Flexible Online Learning:

The 14 e-learning modules can be done at a time and place that suits you. Complete the modules using a laptop, tablet, PC or smart phone, whenever and wherever you choose.

Ready to Pass:

99.9% of those who complete our online AM Certificate Course and go to take the IAM's exam, pass it.

Modules Mapped to IAM Exam:

Modules are mapped to the syllabus and learning requirements of the Institute of Asset Management's Principles of AM exam.

Globally Recognised:

Knowledge that covers the 39 globally recognised areas of asset management, as defined by ISO55000, the international standard for AM.

Access to AM Experts:

AECOM AM professionals lead three webinars to guide learners through real world examples and ensure exam readiness for those taking the IAM Certificate Exam.
