

# Substrate for eel ladder

In 2019, Milieu Inc. was integrated into AECOM, an engineering and environmental consulting firm.

AECOM is proud to be able to offer the same quality substrates for eel ladder as those previously sold by Milieu Inc.

Three types of thermoformed ABS plastic substrate are available.

Type	MIL01	MIL02	MIL06
Photo of the product			
Dimensions per section (in)	67 ½ x 17 x 4 ½	67 ½ x 11 ½ x 5	49 x 18 x 1 ¾
Weight (lbs)	23	18	17
Target eel size (mm)	For juvenile eels (200-800)	For juvenile eels (200-800)	For elvers (100-200)
Ideal installation environment	Ideal for sites further upstream in the hydrological network	Ideal for sites further upstream in the hydrological network	Ideal for sites further downstream in the hydrological network or close to the ocean

**Stay tuned!**

We are currently developing new types of substrates for juvenile eels, elvers and glass eels.
