General Overview of OASIS

GSA OASIS+ is a government-wide “Best in Class” (BIC) contract platform for full range of professional services requirements. As a multiple award indefinite delivery/indefinite quantity (MA-IDIQ) contract, this vehicle is available to all U.S. federal agencies for access to complex, integrated professional services. With no ceiling dollar amount for task orders, OASIS+ provides flexibility in contracting and provides a pathway to a total solution approach.

The GSA OASIS+

- Spans multiple professional service disciplines
- Contains IT components (when IT is incidental to the requirement)
- Contains ancillary support components commonly referred to as ODCs
- Provides flexibility for all contract pricing types including, cost type arrangements
- Any one or combination of the above
- **All subcontracting must include 50% small business participation**

Providing both commercial and non-commercial services. Core disciplines include:

- Management & Advisory Services
- Technical & Engineering Services
- Environmental Services

Why Use OASIS+?

- **Non-negotiable Client Contract Fee:** Contract Access Fee (CAF) is a flat rate of 0.15%
- **Speed:** Task Orders are done quickly for diverse efforts
- **Broad Coverage:** Requirements can span many areas of expertise and mission spaces worldwide
- **Saves Lead Time:** OASIS+ contractors already pre-qualified
- **Special Agency Needs Met:** Allows for specific terms and conditions, clauses and provisions to be included at task order level
- **Reduces Impacts to Acquisition Lead Times:** Reduced Protest Exposure when value is under \$10M
