EHS MANAGEMENT PRACTICE

AECOM'S EHS MANAGEMENT PRACTICE DELIVERS STRATEGIC-FOCUSED, COST-EFFECTIVE, AND RELIABLE EHS CONSULTING SERVICES TO CLIENTS AROUND THE WORLD, SUCH AS:

- Integrating EHS management activities into clients' strategic business planning efforts to capture financial, competitive, and operational benefits
- Supporting EHS compliance assurance processes to achieve reduced regulatory liability

- Presenting opportunities instead of regulatory constraints, and identifying practical, sustainable solutions
- Lowering the impact of EHS costs on the bottom line
- Providing our clients' top management with the information they need to proactively manage EHS responsibilities and exposures while improving financial performance

TECHNICAL PRACTICE GROUPS

AECOM operates Technical Practice Groups (TPGs) that promote technical excellence in the EHS services we deliver to clients. Our TPGs collectively form a global virtual community of dedicated professionals working together to drive continuous improvement and outstanding client service.
