AECOM UKRC Limited

Directors' Report

For the period ended 27 September 2024

Registered No: 11577908

The Directors present their report for the year ended 27 September 2024.

The prior period of 12 months commenced on 1 October 2022 and ceased on 29 September 2023. The current period of 12 months commenced on 30 September 2023 and ceased on 27 September 2024.

Results and dividends

The profit for the year after taxation amounted to \$20,324,000 (2023: profit of \$18,414,000). The Directors do not recommend the payment of a dividend (2023: \$nil).

Principal activity

AECOM UKRC Limited (the "Company") is a subsidiary of AECOM. AECOM is a leading global provider of professional infrastructure consulting and advisory services for governments, businesses and organisations throughout the world. AECOM provides advisory, planning, consulting, architectural and engineering design, construction and program management services, and investment and development services to public and private clients worldwide in major end markets such as transportation, facilities, water, environmental, and energy.

The Company's principal activity in the year under review was that of a holding company and the Company will continue to act in this capacity for the foreseeable future.

Financial instruments

The Company finances its activities through equity and borrowings provided by fellow group undertakings. Financial instruments such as inter-company debtors and creditors arise directly from the Company's operating activities. Any risks associated with financial instruments are managed and reviewed at an AECOM group level.

Review of business and future developments

During the year the Company continued to undertake its principal activity as a holding company.

The Directors do not expect any change to the principal activity of the Company in the foreseeable future.

Principal risks and uncertainties

The Directors have agreed that there is low credit risk associated with the recoverability of amounts owed by group undertakings.

The principal risk and uncertainty for the Company is broadly classed as liquidity risk:

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities. The Company aims to mitigate liquidity risk by managing cash generation from its operations. The Company manages liquidity risk via a credit facility made available from a fellow subsidiary undertaking, AECOM Global Ireland Services Limited, as part of a group-wide treasury function.

AECOM UKRC Limited

Directors' Report (continued)

For the period ended 27 September 2024

Directors of the Company

The Directors, who held office during the year and up to the date of this report, were as follows:

JL Lang
DJ Price

No Director has any interest in the shares of the Company or other interests that require disclosure under the Companies Act 2006.

Directors' indemnity insurance is in place for all Directors, subject to the conditions set out in section 234 of the Companies Act 2006. Such indemnity insurance remains in force as at the date of approving the Directors' report.

Going concern

The Company has net current liabilities of \$nil and net assets of \$288,698,000. The Company meets its day to day working capital requirements through reliance on the balances held with group wide treasury function (at year end \$nil). When performing the going concern assessment from the date of approval of the Company's financial statements through to June 30, 2026 (the 'Going Concern period'), the Board has assessed whether the Company will be able to meet its liabilities as and when they fall due.

The Board assessed the continuing impact of economic factors (including climate-related matters) affecting the UK economy through stress testing of the subsidiaries' budgets and forecasts. The severe but plausible stress testing has considered the Company's operational cash flow performance based upon several scenarios (including the impact of cost inflation and any potential reduction in future revenues). The Directors have also performed reverse stress testing on the cash flow forecasts. The outcome of the sensitivity analysis indicated that the Company is expected to maintain positive cash flows throughout the Going Concern period.

Although the Directors do not consider financial support to be required from the ultimate parent undertaking in order to support the going concern assessment, the Board has nevertheless obtained a written confirmation of financial support from its ultimate parent undertaking, that it will assist the Company in meeting their liabilities as and when they fall due, for the period through to June 30, 2026.

After making enquiries and considering the above points, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the Going Concern period. Accordingly, the Directors continue to adopt the going concern basis in preparing these financial statements.

Small companies' exemption

This report has been prepared in accordance with the special provisions applicable to companies subject to the small companies' regime within Part 15 of the Companies Act 2006. The Company has also taken advantage of the small companies' exemption from the requirement to prepare a strategic report.

AECOM UKRC Limited

Directors' Report (continued)
For the period ended 27 September 2024

Disclosure of information to the auditors

The Directors who were members of the Board at the time of approving the Directors' Report are listed on page 1. Having made enquiries of fellow Directors and the Company's auditor, each of these Directors confirms that:

- So far as each person who was a Director at the date of approving this report is aware, there is no information (that is information needed by the Company's auditor in connection with preparing their report) of which the Company's auditor is unaware; and
- Each Director has taken all the steps that they are obliged to have taken as a Director in order to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Ernst & Young LLP will be re-appointed as the Company's auditor in accordance with the elective resolution passed by the Company under section 485 of the Companies Act 2006.

On behalf of the Board

.....
JL Lang
Director

16 June 2025

AECOM UKRC Limited

Statement of Directors' Responsibilities

For the year ended 27 September 2024

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 'Reduced Disclosure Framework' ('FRS 101'). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report to the Members of AECOM UKRC Limited

Opinion

We have audited the financial statements of AECOM UKRC Limited for the year ended 27 September 2024 which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Changes in Equity and the related notes 1 to 13, including material accounting policy information. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the Company's affairs as at 27 September 2024 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and the provisions available for small entities, in the circumstances set out in note 1 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period up to 30 June 2026.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the Company's ability to continue as a going concern.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Directors are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Independent Auditor's Report to the Members of AECOM UKRC Limited (continued)

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Director's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Directors' Report and from the requirement to prepare a Strategic Report.

Responsibilities of Directors

As explained more fully in the Directors' responsibilities statement set out on page 5, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor Responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud:

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

Our approach was as follows:

Independent Auditor's Report to the Members of AECOM UKRC Limited (continued)

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the Company and determined that the most significant are those that relate to the reporting framework, Companies Act 2006, Bribery Act 2010, laws and regulations relating to health and safety and employee matters and relevant tax compliance regulations in the jurisdictions in which the Company operates.
- We understood how AECOM UKRC Limited is complying with those frameworks by enquiry with management, and by identifying the policies and procedures regarding compliance with laws and regulations. We corroborated our enquiries through our review of board minutes, compliance issues reported through a whistleblowing hotline, if any, and correspondence received from regulatory bodies.
- We assessed the susceptibility of the Company's financial statements to material misstatement, including how fraud might occur by enquiry with management (including legal) and those charged with governance to understand where they considered there was susceptibility of fraud. As part of this, we understood the performance targets of management. We also considered the risk of management override.
- Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved testing manual journals and other journals identified by specific risk criteria, review of board minutes and any legal correspondence, enquiries with senior management and where applicable, those charged with governance and obtaining written representations from the Directors of the Company.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The financial statements have been prepared in accordance with the provisions of Part 15 of the Companies Act 2006 relating to small companies.

These financial statements were approved by the Board on 16 June 2025 and signed on its behalf by:

.....
JL Lang

Director

AECOM UKRC Limited

Notes to the Financial Statements At 27 September 2024

1 Authorisation of financial statements and statement of compliance with FRS 101

The financial statements of the Company for the year ended 27 September 2024 were authorised for issue by the Board on 16 June 2025 and the Balance Sheet was signed on the Board's behalf by JL Lang. The Company is incorporated and domiciled in England and Wales.

These financial statements were prepared in accordance with applicable law and United Kingdom Accounting Standards, including FRS 101 'Reduced Disclosure Framework' (United Kingdom Generally Accepted Accounting Practice), and in accordance with accounting standards applicable to companies subject to the small companies' regime.

The Company's financial statements are prepared under the historical cost convention and presented in US Dollars (\$), which is also the Company's functional currency, and all values are rounded to the nearest thousand dollars (\$000) except when otherwise indicated.

The Company has taken advantage of the exemption under s401 of the Companies Act 2006 not to prepare group accounts as it is a wholly owned subsidiary of AECOM, a company incorporated in the United States of America (USA). Therefore, the financial statements present information about the Company as an individual undertaking and not about its group.

The results of the Company are included in the consolidated financial statements of AECOM which are available from 13355 Noel Road, Suite 400, Dallas, Texas, 75240, United States of America (USA). This is the smallest and largest group of which the Company is a member and for which consolidated financial statements are prepared.

The effect of climate-related matters have been considered, the overall impact to the financial statements is limited. The initiatives to carry out the sustainability strategies mainly impact future periods' investments and expenditures and to a lesser extent the expenditures during the year.

The principal accounting policies adopted by the Company are set out in note 3.

2 Judgements and key sources of estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The following estimates have had the most significant impact on amounts recognised in the financial statements:

2.1 Accounting estimates

(a) Amounts receivable

The Company has current assets in the form of amounts owed by group undertakings. The Company must determine on an annual basis whether there are any conditions either internal or external to the Company that may indicate that the carrying value of any these assets are impaired.

AECOM UKRC Limited

Notes to the Financial Statements At 27 September 2024 (continued)

3 Material accounting policies

3.1 Basis of preparation

These financial statements were prepared in accordance with FRS 101 and under historical cost accounting rules for all years presented, unless otherwise stated.

The accounts have been prepared on a going concern basis (see note 3.4 for further details).

The accounting policies which follow set out those policies which apply in preparing the financial statements for the year ended 27 September 2024.

3.2 Summary of disclosure exemptions

In these financial statements, the Company has taken advantage of the exemptions available under FRS 101 in respect of the following disclosures:

- IFRS 7 - 'Financial instruments: Disclosures'.
- Paragraphs 91 to 99 of IFRS 13 - 'Fair value measurement' (disclosure of valuation techniques and inputs used for fair value measurement of assets and liabilities).
- Paragraph 38 of IAS 1 - 'Presentation of financial statements' (comparative information requirements in respect of):
 - paragraph 79(a)(iv) of IAS 1
(reconciliation of number of shares at the beginning and end of the period)
- The following paragraphs of IAS 1 - 'Presentation of financial statements' (removing the requirement to present):
 - 10(d) (statement of cash flows);
 - 16 (statement of compliance with all IFRS);
 - 111 (cash flow statement information);
 - 134-136 (capital management disclosures)
- IAS 7 - 'Statement of cash flows'.
- Paragraphs 30 and 31 of IAS 8 - 'Accounting policies, changes in accounting estimates and errors' (requirement for the disclosure of information when an entity has not applied a new IFRS that has been issued but is not yet effective).
- The requirements of paragraph 17 and 18A of IAS24 Related Party Disclosures (requirement for disclosures around key management personnel).

AECOM UKRC Limited

Notes to the Financial Statements At 27 September 2024 (continued)

3 Material accounting policies (continued)

3.2 Summary of disclosure exemptions (continued)

- The requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is a wholly owned by such a member.
- The requirements of paragraph 130(f)(ii) and 130(f)(iii) of IAS36 Impairment of assets (requirement for a description of the valuation techniques for fair value measurements categorised within Level 2 and Level 3 of the fair value hierarchy).

3.3 New standards, amendments and IFRIC interpretations

On 23 May 2023, the International Accounting Standards Board issued International Tax Reform - Pillar Two Model Rules - Amendments to IAS 12. This clarifies that IAS 12 applies to income taxes arising from tax law enacted or substantively enacted to implement the Pillar Two model rules published by the OECD, including tax law that implements Qualified Domestic Minimum Top-up Taxes. The amendments to IAS 12 introduce a temporary mandatory exception from accounting for deferred tax that arising from the implementation of Pillar Two and the Company has applied this exception. The UK directors are working with AECOM to assess how these rules will affect the local entities within global group once the rules are active; however, due to the complexities in applying the legislation, it is not yet possible to reasonably estimate the quantitative impact of the legislation. Other than the update to IAS 12, there are no accounting standards, amendments or IFRIC interpretations that are effective for the year ended 27 September 2024 which have had a material impact on the Company.

3.4 Going concern

The Company has net current liabilities of \$nil and net assets of \$288,698,000. The Company meets its day to day working capital requirements through reliance on the balances held with group wide treasury function (at year end \$nil). When performing the going concern assessment from the date of approval of the Company's financial statements through to June 30, 2026 (the 'Going Concern period'), the Board has assessed whether the Company will be able to meet its liabilities as and when they fall due.

The Board assessed the continuing impact of economic factors (including climate-related matters) affecting the UK economy through stress testing of the subsidiaries' budgets and forecasts. The severe but plausible stress testing has considered the Company's operational cash flow performance based upon several scenarios (including the impact of cost inflation and any potential reduction in future revenues). The Directors have also performed reverse stress testing on the cash flow forecasts. The outcome of the sensitivity analysis indicated that the Company is expected to maintain positive cash flows throughout the Going Concern period.

Although the Directors do not consider financial support to be required from the ultimate parent undertaking in order to support the going concern assessment, the Board has nevertheless obtained a written confirmation of financial support from its ultimate parent undertaking, that it will assist the Company in meeting their liabilities as and when they fall due, for the period through to June 30, 2026.

After making enquiries and considering the above points, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the Going Concern period. Accordingly, the Directors continue to adopt the going concern basis in preparing these financial statements.

AECOM UKRC Limited

Notes to the Financial Statements At 27 September 2024 (continued)

3 Material accounting policies (continued)

3.5 Other income and expenses

(a) Interest receivable and payable

Interest income and expense is recognised as interest accrues using the effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to its net carrying amount.

When a loan or receivable is impaired, the Company reduces the carrying amount to its recoverable amount, being the estimated future cash flow discounted at the original effective interest rate, and continues unwinding the discount as interest income. Interest income on impaired loans and receivables is recognised using the original effective interest rate.

3.6 Impairment of financial assets

The Company assesses at each reporting date whether there is objective evidence that a financial asset or group of financial assets is impaired. Refer to note 3.10.

3.7 Income taxes

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted by the balance sheet date.

Deferred taxation is recognised on all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax assets are recognised only to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, carried forward tax credits or tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date. Deferred income tax assets and liabilities are offset only if a legally enforcement right exists to set off current tax assets against current tax liabilities, the deferred income taxes relate to the same taxation authority and that authority permits the company to make a single net payment.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply when the related asset or liability is settled, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Income tax is charged or credited to other comprehensive income if it relates to items that are charged or credited to other comprehensive income. Similarly, income tax is charged or credited to equity if it relates to items that are charged or credited direct to equity. Otherwise income tax is recognised in the profit and loss account.

AECOM UKRC Limited

Notes to the Financial Statements At 27 September 2024 (continued)

3 Material accounting policies (continued)

3.8 Foreign currencies

The Company's financial statements are presented in US Dollars which is also the Company's functional currency. Transactions in foreign currencies are initially recorded into the Company's functional currency by applying the spot exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the functional currency rates of exchange ruling at the balance sheet date with exchange gains and losses dealt with through the profit and loss account.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate as at the date of the initial transaction.

3.9 Amounts owed by group undertakings

Amounts owed by group undertakings are recognised and carried at the lower of their original invoiced value and recoverable amount. Where the time value of money is not material, receivables are carried at amortised cost. To measure the expected credit losses, the Company assesses recoverability at each reporting period end date using historical experience and depending on whether those receivables are due on demand (12 month expected loss allowance), or where not due on demand, whether a significant increase in credit risk has occurred since original recognition of the instrument (lifetime expected loss allowance).

3.10 Financial instruments

(a) Financial assets

Recognition and measurement

Financial assets within the scope of IFRS 9 are classified as financial assets at fair value through profit or loss, financial assets at fair value through other comprehensive income, or financial assets at amortised cost. The classification depends on the purpose for which the financial assets were acquired. The Company recognises financial assets in the balance sheet when, and only when, it becomes party to the contractual provisions of the financial instrument. The Company determines the classification of its financial assets at initial recognition.

The Company's financial assets include amounts owed by group undertakings. All financial assets are recognised initially at fair value plus directly attributable transaction costs, then subsequently measured at amortised cost using the effective interest rate (EIR) method, less any impairment, or at fair value.

As the Company's financial assets are all held within a business model whose objective is to collect the contractual cash flows and the contractual terms give rise to cash flows that are solely payments of principal and interest, all are classified as financial assets at amortised cost.

AECOM UKRC Limited

Notes to the Financial Statements At 27 September 2024 (continued)

3 Material accounting policies (continued)

3.10 Financial instruments (continued)

Derecognition

The Company derecognises a financial asset when:

- the contractual rights to the cash flows from the asset expire;
- it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the asset are transferred; or
- the Company neither retains nor transfers substantially all of the risks and rewards of ownership and it does not retain control of the asset.

(b) Offsetting financial assets and financial liabilities

Financial assets and financial liabilities are only offset and the net amount reported in the balance sheet if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.11 Events after the reporting period

If the Company receives information after the reporting period, but prior to the date of authorisation for issue, about conditions that existed at the end of the reporting period, it will assess whether the information affects the amounts that it recognises in its financial statements. The Company will adjust the amounts recognised in its financial statements to reflect any adjusting events after the reporting period and update the disclosures that relate to those conditions in light of the new information. For non-adjusting events after the reporting period, the Company will not change the amounts recognised in its financial statements, but will disclose the nature of the non-adjusting event and an estimate of its financial effect, or a statement that such an estimate cannot be made, if applicable.

4 Auditors' remuneration

Auditors' remuneration for the audit of the financial statements of the Company of \$8,000 (2023: \$8,000) has been borne by a fellow group undertaking in the year.

There were no fees paid (2023: \$nil) in relation to non-audit services for tax compliance.

5 Staff costs and Directors' remuneration

The Company has no employees (2023: no employees).

Directors' remuneration is borne by other companies within the AECOM group and not specifically recharged. The Directors do not consider it is practicable to allocate remuneration received between qualifying services provided to the Company and other services provided to the AECOM group of companies.

AECOM UKRC Limited

Notes to the Financial Statements At 27 September 2024 (continued)

6 Interest receivable and similar income

	2024 \$ 000	2023 \$ 000
Interest receivable from group undertakings	20,324	18,416

7 Taxation
