

# Troy Rudd

Chairman and Chief Executive Officer

**Troy Rudd is Chairman and Chief Executive Officer at AECOM (NYSE:ACM), the global infrastructure leader committed to delivering a better world.**

Mr. Rudd was appointed chief executive officer in August 2020, and has been leading the company's transformation to a professional services organization since August 2018.

Mr. Rudd has held a series of operational and financial leadership roles since joining AECOM in 2009, including his most recent role as Chief Financial Officer where he directed the company's global financial operations, including financial planning and analysis, financial reporting, global shared services, internal audit, tax, treasury, and led the company's M&A activities. Previously, he was responsible for AECOM's Americas Design and Consulting (DCS) business and treasury, corporate controllership and financial reporting, risk and controls, tax and shared services functions. He also drove efforts to raise capital to fund the AECOM/

URS transaction, and led the largest integration component involving the DCS Americas group.

Prior to joining AECOM, Mr. Rudd was a partner for 10 years with KPMG. He graduated with a Bachelor of Science Degree from the University of British Columbia and obtained a Master of Science Degree in Taxation from Golden Gate University.

As a trusted professional services firm powered by deep technical abilities, AECOM solves our clients' complex challenges in water, environment, energy, transportation and buildings. Our teams partner with public- and private-sector clients to create innovative, sustainable and resilient solutions throughout the project lifecycle – from advisory, planning, design and engineering to program and construction management. AECOM is a Fortune 500 firm that had revenue of \$16.1 billion in fiscal year 2024. Learn more at [aecom.com](https://www.aecom.com).
